To Perspective Members,

It is my privilege and honor as a founding member and this year's chairman to continue the six-year tradition of the Miss California Century Club. As a parent of a former Miss California I fully appreciate the importance of this club and the impact it has had on the lives of our recipients. I would like to personally invite you to support our program by joining this altruistic group.

The Miss California CENTURY CLUB maintains a maximum of One Hundred (100) members, all of who must be willing to donate \$100.00 per year, to be used exclusively to fund Miss California's personal \$10,000 scholarship. Married couples will be considered as one membership. Century Club Membership is fully tax-deductible to the extent allowable by law.

Each year Century Club Founding Members receive:

- Identification as "Century Club Founding Member" directly on the event badge
- Opportunity to join the contestants backstage for dinner on a designated night during pageant week
- Recognition on the Miss California website
- Link to a website of their choice (their website)
- Identification with special recognition in the Miss California Souvenir Program book

Founding members will continue to be recognized as such as long as they maintain their membership.

Each year Century Club members receive:

- Identification as "Century Club" directly on the event badge
- Recognition on the Miss California website
- Identification in the Miss California Souvenir Program book

There will be no "honorary" members. The ONLY way to become a member of the Miss California CENTURY CLUB is to make an annual contribution to Scholarship Associates, Inc., a 501c₃ organization, in the amount of \$100.00. The deadline is April 1, 2010.

I would greatly appreciate your support. If you have any questions or have an interest in other sponsor opportunities please contact me.

Sincerely,

Glenn Baldwin

Mission Statement

The Miss California Organization promotes the further development of the fundamental life skills within each participant, including

- Broader knowledge of current events and the world around them
- Verbal communications
- Physical fitness
- Personal grooming and
- The opportunity of showcasing their creative and performing arts talents

The program encourages active involvement in Community Service and is fully committed to motivating and assisting young women in the State of California to fulfill their individual and professional goals by rewarding its participants with significant college and university tuition assistance.

The *Miss California Organization* operates within the guidelines of the *Miss America Organization* while stressing individuality, personal development, communication skills, and physical fitness. The *Miss California Organization* has no salaried employees. Participants in it's programs are not required to pay entry fees of any kind.

The *Miss California Organization* is approaching the \$5 million mark in cash and academic scholarships awarded at the state and local level, since the pageant moved it's headquarters to San Diego in 1985.

In June 2009, 55 local representatives competed in centrally located Fresno, California, to become *Miss California 2009*. Where more than \$88,000 in cash scholarship was awarded.
